RAW White Blend

La Mancha, Spain

Verdejo, Airén, Sauvignon Blanc

Pale yellow in color with the aromas of mineral and citrus that take on a light and fresh bouquet of peach, chalk, and orange blossom on the palate.

RAW Red Blend

La Mancha, Spain

Cabernet Sauvignon, Tempranillo, Merlot

Aromas of dark fruit and spices on the nose. Chocolate, spices, and dark fruit that explode on the palate. Graceful texture and juicy ripe cherry notes.

RAW Frizzante

La Mancha, Spain

Airén, Sauvignon Blanc

Pale yellow in color, with a greenish iridescence. Light and invigorating flavors of white fruit, fresh grapes, spring flowers, and a hint of tangerine, all brought to vivid life by a gentle fizz.

Gönc "Harvest Moon"

Štajerska, Slovenia

Pinot Grigio

More savory than fruity on the nose with a constant whiff of peaches left out in the sun. On the palate notes of overly ripe, creamy peaches steeping in black tea. Funky and fresh.

Gönc "3" Pinot Noir

Podravje, Slovenia

Pinot Noir

Aromas of cherry, red berries, and soft dark spices. Red fruit notes follow from the notes to the palate. This beautifully balanced wine is juicy and round.
